

# Hawaiian Ham Pinwheels

## Ingredients:

1, 20 oz can crushed pineapple  
1, 8 oz package cream cheese, softened  
4, 10 inch flour tortillas  
fully-cooked, thinly sliced deli ham

## Directions:

Drain pineapple.

In a mixing bowl, add cream cheese and the drained pineapple.

Mix together until well blended.

Evenly spread some of the cream cheese, pineapple mixture over a tortilla.

Then add a layer of deli ham.

Carefully roll up the tortilla. The cream cheese at the edge will help seal it.

Wrap the rolled tortilla in plastic wrap.

Repeat with the remaining tortillas.

Refrigerate for a few hours.

To serve, remove plastic wrap and cut rolled tortillas into slices.
