In a bowl, add melted butter, brown sugar and cinnamon.  
Stir together until well combined.  
Pour in your cubed sweet potatoes.  
Stir together until the sweet potatoes are well coated.  
Pour them onto your prepared baking sheet and spread them out.  
Bake in the oven for about 15 to 20 minutes or until they are fork tender.  
Be sure to stir them halfway through.  
Remove from oven and place onto a wire rack to cool some before serving.
